Since we had a bunch of wrestlers, we used wrestling rules to determine legal moves. For the most part, you'll want to establish rules that prevent serious injury or property damage.</p>	<p>off. Each team has one person wear a blindfold while the other person navigates him or her across a room filled with obstacles (a coffee table, chairs, a vacuum cleaner). The team that accomplishes the task the fastest, wins. When played indoors, you want to have one team go at a time and use a timer to track how long it takes each team.</p>	<p>bags and cut each one to a different height. Line up the bags on one end of a room or hallway. Each player must move all 5 bags from one end of the room or hallway to the opposite end. The trick is they can only use their mouths to pick up the bags and their hands cannot touch the ground to help them maintain balance when they bend over to retrieve the bags. The player that accomplishes the task the fastest, wins.</p>	<p>whipped cream and hide a bunch of gummy bears in them. Players have to hold their hands behind their back and retrieve all of the gummy bears by using just their mouths.</p>
